Quality, inspirational kitchens

ESTABLISHED 1990

WE ARE MAIN DEALERS FOR

computer aided design • manufacture • quality fitting • after sales care

At **Windmill Kitchens**, we manufacture our kitchens **in-house at our showroom/factory in Sussex**, giving us the flexibility to offer special requirements and long production runs.

Our **bespoke kitchens** are tailor made, from studio apartments to country houses and multi-plot developments. From sleek urban handleless kitchens to ultra chic painted timber classics, we offer a full range of styles and colours to suit all lifestyles.

With the latest storage solutions and appliances seamlessly integrated into the design, we offer stunning well appointed layouts we know you'll love.

Key features can include:

- Appliances • Choice of unlimited colours and finishes
- Quartz/Granite worktops • Integrated storage mechanisms
- Glass and mirror splashbacks • LED lighting

Please visit our website for our **full kitchen collections** at [www.windmillkitchens.co.uk](http://www.windmillkitchens.co.uk)

“Our pride is our **experience** and your **delight**”
